ABOUT HIV/AIDS CASE MANAGEMENT

The HIV/AIDS Case Management and Peer Support Services program helps clients maintain and improve health wherever possible and gain access to resources and services that meet each client's individual level of need. The program provides comprehensive, ongoing assistance to individuals with HIV/AIDS. Case Management staff advocates on behalf of clients to ensure proper treatment and care. The program consists of three components: intensive case management for ex-offenders, general case management and peer advocacy.

CASE MANAGEMENT AND PEER SUPPORT SERVICES

Case Management helps clients access the following:

- *Appropriate medical, mental health and dental care as needed*
- *Assistance with HIV/AIDS medication costs*
- *Social security referrals for eligible clients*
- *Applications for low-income housing*
- *EARP (Emergency Assistance Resource Pool) assistance for housing, utility and clothing costs*
- *Assistance with obtaining food or meal delivery*
- *Assistance with transportation to and from medical appointments*
- *Referrals to treatment facilities for in-patient and out-patient substance abuse treatment*
- *Referrals for free or low-cost legal services*
- *Referrals for support groups*
- *Referrals for vocational training*

ABOUT HIV/AIDS TRANSPORTATION SERVICES

Neighborhood House Association's HIV/AIDS Transportation Services provides assisted and unassisted transportation to low-income residents of San Diego County who are affected by HIV/AIDS. Unassisted services refer to travel vouchers, bus passes and coaster passes that are provided to clients via case management programs.

TRANSPORTATION SERVICES

Transportation for qualified individuals can only be provided for the following purposes:
