MATH TUTORS

Days Available: Tuesday, Wednesday, Thursday

Times Available: 3:30 p.m. – 6:30 p.m.

Run Dates: October 4 – December 15

Location: 841 South 41st Street, San Diego, CA 92113

Requirements:

All math, math education, engineering, finance, business and equivalent majors are welcome. Looking for candidates who are well versed across several math areas. No GPA requirement. Past teaching, tutoring experience are preferred. All volunteers must undergo an application, orientation and background check process and be TB cleared.

Volunteer Description:

Tutors will provide homework assistance to middle school students as well as high school students. Generally students need help with homework, studying for tests, taking timed tests online, and general assistance learning certain topics. Tutors are there to offer help, guidance and encouragement.

Tutors attend Homework Center sessions from 3:30 – 6:30 p.m. as their schedule allows. It's not necessary to volunteer every day, however we look for candidates who are able to ideally donate one day each week of their time. Common math topics include geometry, algebra, statistics, and calculus.
