HAPPY NEW YEAR

New Beginnings of a Person Centered Program

2015 Brings fresh beginnings after almost 32 years of service at the **Neighborhood House Adult Day Health Care Center**. We will be transitioning into a new innovative person-centered program! Meanwhile during the Holidays, we celebrated the past & future at our Annual Family Night. **Rudy Johnson, CEO**

Family Night Fun

greeted the welcoming crowd. Juan Robles and his keyboard sang lively tunes. The dinner was truly delicious. A trim Santa passed out peppermint candy canes. Later, the big drawing was held. The Grand prize winner was Faye Jackson who won a gift card decorated wreath worth over \$250.

Thanks to our Benefactors

Many thanks to the **Aramark Corporation** for underwriting our Holiday festivities. Another generous benefactor was **Martha Villescues** who was truly a Secret Santa. Other kind friends sold tickets, prepared food or made donations including **Donna Borowy, Bridgett Gonzales, Dan & Don Scott**, The big draw was record breaking successful with over \$1200 added to our enrichment fund. Happy Happy!

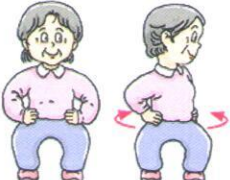

Duke Sobek plays Fun Santa Claus at Daytime Holiday Party

Santa Duke (NHA/HR administrator) and 2 pretty elves known as Kirsten and Erin made spirits bright with their visit at the daytime Holiday Party! Participants were also entertained by talented singer, Danny Lopez.

Each participant received a nice gift from Santa. Aramark provided a generous grant to help with Holiday gifts. "I liked my gift." was heard many times. We must have all been very good!
