Question #2

RFP 2018-005 Meats and RFP 2018-004 Paper Goods and Supplies – Could you tell us how many delivery locations and delivery days per week? Is there a delivery window requirement for any or all delivery locations?

Answer #2

There are three delivery locations listed in the RFP:

1. The main delivery location is Nutrition Services: 7818 Wilkerson Ct., San Diego, CA 92111.
2. A much smaller site is Adult Day Health Care Center: 851 South 35th Street, San Diego, California 92113
3. Another small site is Senior Service Center: 795 South Boundary Street, San Diego, California 92113

The number of delivery days per week may vary, depending on the order. We request the vendor be able to accommodate a delivery on each day of the week, however, NHA anticipates receiving meat orders 2-3 days per week.
