This Request is seeking to identify the most responsive, responsible bidder with the lowest cost. Bidder(s) may be asked to interview with NHA representatives, make an oral presentation and/or respond to questions regarding the bid response. To comply with CDBG requirements, contracts must be awarded to the lowest bidder. NHA's decision is final and is not subject to any form of administrative review, appeal or protest.

Any changes to this IFB/RFQ will be posted as an Addendum on the NHA web site www.neighborhoodhouse.org in the Business Section in Current RFQ Opportunities below the **IFB/RFQ# 2020-003** posting. Addendums will be posted in numerical sequence as they are developed. Bidders are encouraged to monitor the NHA web site for addendums.

Bid Protest Procedure

1. After selection of the lowest cost and most responsive sealed bid during the public bid opening, Purchasing will announce the name of the Contractor and bid amount determined to be the lowest cost bid. Further screening of the bid will determine if the bidder was responsive to all bid requirements.
2. Non-selected vendors will have ten (10) business days from the date the award notice is announced during the public bid opening to file a formal bid protest with the Senior Director, Quality Assurance, Contract Compliance, and Purchasing and the Purchasing Agent who conducted the solicitation via email. This appeal shall be delivered by the vendor in writing through e-mail, follow up letterhead, and include the specific facts, circumstances, reasons, and/or basis for the protest. Email addresses for the Senior Director Jerry Hurst and Purchasing Agent, Jerome Gissendanner are jhurst@neighborhoodhouse.org and jerome@neighborhoodhouse.org respectively.
3. Bid protests must be filed prior to the award of contract or purchase order issued. Upon execution of the contract or purchase order to the selected vendor, The Purchasing Director will not take action on a bid protest if not received during the solicitation period.
4. If a vendor bid protest is appropriately filed (i.e., prior to the award) the Senior Director may delay the award of a contract or purchase order until the matter is resolved. There are, however, situations where the delay of an award may not be in the best interest of NHA due to emergency and/or time critical acquisitions such as at the end of NHA's fiscal year or grant funding requirements. In these instances, NHA has no obligation to delay or otherwise postpone an award of a purchase order or contract based on a vendor protest. In all cases, NHA reserves the right to make an award when the bid is determined to be the lowest responsive bid.

Protest Form and Content

All protests shall be in writing and state that the bidder is submitting a formal protest, and the protesting vendor is responsible to assure the protest is received within the protest deadlines. If NHA does not receive the protest within the specified deadline, the protest will be rejected.

The mailing address for all protests:

Neighborhood House Association
Attention: Jerome Gissendanner, Purchasing Agent
5660 Copley Drive
San Diego, CA 92111

Include the following information in the protest letter. Failure to provide the following information could result in rejection of Vendor's protest:

1. Company name, mailing address, phone number, and name of company individual responsible for submission of the protest.
2. Please provide an email address for communication, clarification, and disposition of the pending protest.

3. Specify the Bid Number, title, and close and proposed award date of the solicitation.
4. State the specific action or decision protested.
5. Indicate the basis for the protest.
6. Indicate what relief or corrective action you believe NHA should make.
7. Demonstrate that every reasonable effort was made within the schedule provided, for you to resolve the basis of the protest during the process, including asking questions, seeking clarification, requesting addenda, and otherwise alerting NHA to any perceived problems.
8. Protest letter must be signed by an authorized agent of the company.

Grounds for Protest

A formal protest must contain the following to be considered:

1. A specific identification of the statutory or regulatory provision(s) that the alleged action is in violation.
2. A specific description of each act alleged to have violated the statutory or regulatory provision(s).
3. A precise statement of the relevant facts, and identification of the issue or issues to be resolved.
4. Complaints about events or decisions made before the solicitation deadline.
5. Complaints that the solicitation unduly constrains competition through improper minimum qualifications or specifications.
6. Complaints that the pre-bid conference was not fair or accessible. (Please note that bidders must attend in person all mandatory pre-bid conferences).
7. Complaints those questions were not fully or properly addressed by the Procurement Contract Specialist/Buyer.
8. Complaints that the Request for Proposal/Quote/Qualification did not provide adequate information or contained an improper criterion.
9. Other matters known or that should have been known, to interested bidders by reading the solicitation document.

Protest on items known after bid deadline

After the bid closing deadline, only vendors that submitted a bid are eligible to protest.

Inquiry or Intention does not constitute a Protest

Notice of an intention to protest does not substitute for filing of a protest following the form and content

required within the deadlines stated. Further, casual inquiry or complaint that does not specifically identify the purpose as a protest, and does not comply with the form, content and deadlines herein, are also not considered or acted upon as a protest action.

Protest Deadlines

Protests must be received in the NHA Purchasing Department via email with a formal letter no later than 4:00 p.m. Pacific Time within ten (10) business days after the date the Request for IFB/RFQ award notice announced. Protests received after the time specified are untimely denied on that basis unless NHA concludes that the issue/s raised by the protest involve fraud, gross abuse of the procurement process, or indicate substantial prejudice to the integrity of the procurement process.

NHA Purchasing shall make efforts to distribute the protest announcement to the affected bidder(s), such as posting on the Agency's website. However, it is the Bidder's responsibility to seek out and obtain the announcement from the NHA website. NHA is not responsible for assuring the Bidders have learned of the announcement in time to file a protest.

Protest Appeal Process

The Purchasing Agent will review the protest. All available facts will be considered and the Senior Director shall issue a decision. This decision shall be delivered in writing by e-mail (will be followed up with a hard copy), or mail the notice to the protesting bidder within thirty (30) days of confirmed receipt.

If the Protesting party believes the Senior Director has failed to consider a fact and has made an error in the protest decision, the protesting bidder has a right to appeal that decision to the NHA Office of General Counsel.

The appeal is limited to only those matters brought forward to the Senior Director in the original protest. The appeal must clearly state why the Senior Director's decision is in error. The protesting bidder shall issue a Protest Appeal Statement by 4:00 PM (Pacific Time) by the fifth (5th) business day following issuance of the Senior Director's decision. This appeal shall be delivered by the Protesting vendor, in writing through e-mail (must be followed up with a hard copy) or mailed notice to the NHA General Counsel.

The mailing address for all protest appeals:

Neighborhood House Association
Attention: General Counsel
5660 Copley Drive
San Diego, CA 92111

NHA General Counsel will evaluate the appeal and issue a written decision within thirty (30) days of confirmed receipt. The NHA General Counsel decision is final. Nothing herein shall diminish the authority of NHA to enter into a contract, whether a protest action or intention to protest has been issued.
