RFQ 2023-003 ADHC BUILDING CDBG IMPROVEMENT PROJECTS

Question #1

Is there any chance this bid can be extended? A lot of our bidder pool are going to be out of office on account of the holiday weekend. It looks like it's going to result in less than perfect participation from our sub community for scope comparison and other activities.

Answer #1

NHA will not be able to extend IFB/RFQ 2023-003 at this time.
